- Simultaneously register to vote with proof of residency and obtain a ballot during the 2-week period prior to an election, up to and including Election Day.
- Obtain an absent voter ballot without providing a reason.
- Cast a straight-ticket vote for all candidates of a particular political party when voting in a partisan general election.

Non-Homestead Operating Millage Renewal Proposal

Proposal 18-1
A proposed initiated law to authorize and legalize possession, use and cultivation of marijuana products by individuals who are at least 21 years of age and older, and commercial sales of marijuana through state-licensed retailers

This proposal will renew a prior operating millage authorization and will allow the Roseville Community Schools to continue to levy millage previously authorized and levied for general operating purposes on nonhomestead property (primarily industrial and commercial and rental property) at the statutory rate of 18 mills. The 18 mill levy is required for the School District to receive revenues at the full foundation allowance permitted by the State.

This proposal would:

- Allow individuals 21 and older to purchase, possess and use marijuana and marijuana-infused edibles, and grow up to 12 marijuana plants for personal consumption.
- Impose a 10-ounce limit for marijuana kept at residences and require amounts over 2.5 ounces be secured in locked containers.
- Create a state licensing system for marijuana businesses and allow municipalities to ban or restrict them.
- Permit retail sales of marijuana and edibles subject to a 10% tax, dedicated to implementation costs, clinical trials, schools, roads, and municipalities where marijuana businesses are located.
- Change several current violations from crimes to civil infractions.

Should this proposal be adopted?

No

Renewal of the authorization at 27,5509 mills will also reduce or eliminate the need to seek periodic approval during the term of the authorization from the electors for millage increases which would restore any operating millage authority reduced by application of the Headlee Amendment.

Pursuant to State statute, the School District is only currently allowed to levy a maximum of 18 mills on nonhomestead property.

As a renewal of authority which expires with the 2019 tax levy, shall the limitation on the amount of taxes which may be imposed on taxable non-homestead property in the Roseville Community Schools, County of Macomb, State of Michigan, be increased by 27,5509 mills (\$27,5509 on each \$1,000 of taxable value) for twenty (20) years, the years 2020 to 2039, inclusive, to provide funds for operating expenses? This millage would raise an estimated \$7,300,000 for the School District in the first year that it is levied.

Proposal 18-2

Proposal 18-2

A proposed constitutional amendment to establish a commission of citizens with exclusive authority to adopt district boundaries for the Michigan Senate, Michigan House of Representatives and U.S. Congress, every 10 years

This proposed constitutional amendment would:

- Create a commission of 13 registered voters randomly selected by the Secretary of State:
 - o 4 each who self-identify as affiliated with the 2 major political parties; and
 - o 5 who self-identify as unaffiliated with major political parties.
- Prohibit partisan officeholders and candidates, their employees, certain relatives, and lobbyists from serving as commissioners.
- Establish new redistricting criteria including geographically compact and contiguous districts of equal population, reflecting Michigan's diverse population and communities of interest. Districts shall not provide disproportionate advantage to political parties or candidates.
- Require an appropriation of funds for commission operations and commissioner compensation.
