

ELECTION DAY REMINDERS

The polls are open from 7 a.m. to 8 p.m. on Election Day.

If you have any questions regarding where you are registered to vote, please contact the City Clerk's Office at (586) 445-5443.

Michigan has a voter identification requirement at the polls. Voters are asked to present an acceptable photo I.D.

The following types of photo ID are acceptable:

- Michigan driver's license or state-issued ID card
- Driver's license or personal identification card issued by another state
- Federal or state government-issued photo identification
- U.S. passport
- Military ID with photo
- Student identification with photo from a high school or accredited institution of higher learning
- Tribal identification card with photo

Voters who do not have an acceptable form of ID or failed to bring it with them to the polls still can vote. They simply sign a brief affidavit stating that they're not in possession of a photo ID. Their ballots are included with all others and counted on Election Day.

A Voter I.D. Card is for your reference and is not required to vote. If you did not receive or lost the Voter I.D. Card, please contact the City Clerk's Office at (586) 445-5443.

All campaign workers must be at least 100 feet from any doorway used by voters to enter the building in which the polling place is located. Campaigning signs, posters, or bumper stickers can be placed on cars or chairs, but must also be at least 100 feet from the entrance.

Any campaign material must be removed, cover or put away when entering the polls to vote.

You are not required to vote the entire ballot. You may pick and choose the races or ballot questions for which you want to vote. Skipping sections of the ballot does not invalidate your ballot.

The Michigan Voter Information Center can help you determine what you will see on your ballot and where you are registered to vote on Election Day.
